I am directed to inform that the ICT Branch, ESI Corporation, Hqrs has developed a new feature for Registration of babies born in ESI Hospitals through Integration of Dhanwantri Module and Insurance ERP-Portal. This feature is prepared in order to facilitate inclusion of new born babies of IPs/IW at ESI Hospitals in their respective family details in insurance module after verification from their respective employer. Which will facilitate IP/IW to avail ESI Medical facility for their new born babies more conveniently.

The detailed procedure/UAT Manual is attached herewith for compliance and necessary action. All Medical Superintendents/Regional Directors/Director, In-charge are requested to issue direction to all field offices under their jurisdiction to follow the instruction given by Hqrs.

This issues with the approval of Insurance Commissioner (Benefit).
